

NEWBURY HOMEBIRTH GROUP

PRESENTS ON BEHALF OF

THE INDEPENDENT MIDWIVES ASSOCIATION

THE NEWBURY SHOWING OF:

Inspired by her own experience actress Ricki Lake approached filmmaker Abby Epstein to collaborate on a film about the American birth culture – it turns out to be extremely relevant to our situation in the UK.

Includes interviews with a number of obstetricians, experts and advocates amongst them Michel Odent, Marsden Wagner and Ina May Gaskin.

The film's fundamental question: should most births be viewed as a natural life process, or should every birth be treated as a potential medical emergency?
